Agreement with Credit Card Processing agent

I have made the following promises or assurances to the business owner of _____, located at _____; in order to convince them to use my company _____ to process credit cards.

_____ is __ currently __ not currently accepting credit cards.

- Merchant will save \$_____ each month based on current volume and card types.
- Your terminal _____ is not PCI-DSS compliant and needs to be replaced.
- The terminal you are receiving free is yours to keep with no strings attached.
- I recommend leasing a _____ terminal at only \$_____ per month.
- I have covered all the fees the merchant can expect.
- I am authorized to make any changes on the contract.
- I had offered to save you or I would give you, the business owner, \$500 if I could not save you money on credit card processing.
- Most of your transactions will qualify for the Qualified rate of _____.
- I have local references.
- If you have a cancellation fee (ETF) I will take care of it.
- I will be giving the merchant a true copy of the contract.
- If using a Tiered pricing system, I have fully explained the surcharges that may occur.
